

Turn Your Club Into a Summer Family Tradition

With over 90 locations nation-wide, KECamps is proud to be impacting their partner clubs and their members alike!

"My child loves the activities. She was able to try tennis and golf without signing up for a full week of lessons. Now we know she loves both!"

Karen R., Parent
Holly Hills Country Club

"Our junior programs are huge with golf involving 300 kids, swim 275 and tennis 200. It is a challenge to get kids involved in programs outside of those but KECamps succeeded."

Shelly A., membership director
Forest Hills Country Club

"KECamps is a no brainer! We invested far less resources and couldn't be happier with the results."

Lindsay A., entertainment director
Evansville Country Club

"My son went to KECamps last summer and had such a blast that we had to manage a countdown system for this summer. He looks forward to camp more than Christmas it seems.

This summer was just as exciting for him as last summer."

Laura L., Parent
Sugar Creek Country Club

"The support KECamps offered was perfect. I never needed to ask for anything - they were always a step ahead!"

Mandy D., Event, marketing & activities coordinator,
Riverside Country Club

"Every member of your staff made the children feel welcome and excited to see them. We felt at ease sending the children, knowing they were with responsible, enthusiastic and caring adults."

Angela D., Parent,
The Landings Club
